Instructions: Complete the bottom portion of the Columbia Township Tax Return "Declaration of Estimated Tax for Year 2015" even if your earnings are subject to withholding. The net estimated tax for the year on line 10 can be paid quarterly or in full. A minimum of 1/4 of line 10 is due with the return by April 15, 2015.

Complete each of the above second, third and fourth quarter sections above using the figure from line 11 on bottom of your tax return "Declaration of Estimated Tax". Detach respective section and submit with payment by each due date. Late payment of estimated tax can result in an interest charge. Maintain a duplicate copy for your record and for information needed to file next year's tax return.
